

**IFC****International
Finance Corporation**
World Bank Group**Creating Opportunity
Where It's Needed Most**

IFC, a member of the World Bank Group, is the largest global development institution focused on the private sector in developing countries. We create opportunities for people to escape poverty and improve their lives. We do so by providing financing to help businesses employ more people and supply essential services, by mobilizing capital from others, and by delivering advisory services to ensure sustainable development.

IFC has recently launched a Special Initiative to strengthen its ability to contribute to the development of **infrastructure in Sub-Saharan Africa**. The initiative involves building up specialized capacity in **Public-Private Partnerships (PPPs)**, in order to work more closely with Governments, the World Bank and private investors with the overarching goal to increase the flow of bankable infrastructure projects. IFC is seeking to recruit:

- **Senior/Principal Investment Officers as PPP Specialists**

with a proven track record in originating, structuring and closing complex transactions.

- **PPP Power Specialist**

Based in Dakar, Nairobi or Washington D.C. - Pos # 120024
Leading and developing power (IPPs, corporate and utilities) and renewable energy projects across Sub-Saharan Africa.

- **Agribusiness and Infrastructure Specialist**

Based in Dakar, Nairobi or Washington D.C. - Pos # 120022
Leading and developing infrastructure PPPs related to agribusiness activities across Sub-Saharan Africa.

- **Mining and Infrastructure Specialist**

Based in Dakar, Nairobi or Washington D.C. - Pos # 120023
Leading and developing opportunities on infrastructure PPPs related to mineral resources exploitation projects across Sub-Saharan Africa.

- **Investment Officer, Infrastructure**

Based in Dakar - Pos # 120053

Evaluating, structuring, negotiating and closing new investment transactions in the infrastructure sector.

- **Investment Analyst, Infrastructure**

Based in Dakar - Pos # 120054

Analyzing financial statements, preparing financial models, conducting industry, market and company research and supporting the investment team in all other activities.

All positions require an advanced educational background and outstanding technical skills, as well as excellent client management and negotiation skills. Investment Analysts have up to 4 years experience in finance, Investment Officers 5+ years. For the Senior and Principal level, 8 and 10 years, respectively, are the minimum requirements. IFC's working language is English; candidates applying for positions in Dakar are expected to be fluent in French.

For full job descriptions for these and other positions in Sub-Saharan Africa, and to apply on-line, please visit IFC's career website at: www.ifc.org/careers. **Deadline is February 12, 2012.**

IFC offers rewarding careers in global work environment. Women are strongly encouraged to apply.
