

Investing in rural people

The International Fund for Agricultural Development (IFAD) is an international financial institution and a United Nations specialized agency dedicated to eradicating rural poverty and hunger. IFAD finances programmes and projects that increase agricultural productivity and raise rural incomes, and advocates at the local, national and international level for policies that contribute to rural transformation.

IFAD is looking for a qualified professional with strategic vision, a solid team orientation, proven capacity to generate results, and a deep understanding of and commitment to development to fill the following Director position:

Treasurer/Director, Treasury Services Division, grade D-1

The Treasurer/Director will provide vision and strategic leadership in managing and safeguarding IFAD's financial resources and credit rating through sound investment operations and prudent liquidity management, formulating and implementing financial strategies, policies and best practices. He or she will also lead the development and implementation of transformational and forward-looking initiatives that will drive IFAD's business and financial model.

IFAD offers a competitive remuneration and benefits package that includes tax-free salary, dependency allowance, education grant up to university level, medical and group life insurance, home leave and pension plan.

IFAD is committed to achieving diversity and is seeking a balanced workforce from its Member States. Women are particularly encouraged to apply.
